

## Always Professional

At Pardoca Advantage, we know we are representing your company. Our closers will always provide a professional image when serving your clients. This includes arriving on time for appointments in professional attire with a photo ID. We are NNA and APN&CSA certified with a NNA background check. Our personnel are trained and qualified for paperless E-closings, reverse mortgage applications and closings and identity verifications. Only state of the art laser printers are used for quality documents.

Pardoca Advantage is part of a Nationwide network of notary professionals and can provide closing services throughout the 50 states. Our network partners provide the same level of quality and professionalism we demand of our local team.

With Pardoca Advantage you can be sure the job will be done right the *first time*.
